

## QUICK START: THE UAE PASS IAL3 JOURNEY

*Your 60-Second Path to Digital Notarization*

---

### [STEP 1] DOWNLOAD & SCAN

- **Action:** Install **UAE PASS** from the App Store or Google Play.
- **Identity:** Scan the front and back of your **Emirates ID**.
- **Verification:** Confirm your mobile number and email via OTP.
- **Status:** *Level 1 (Basic)*

### [STEP 2] BIOMETRIC UPGRADE

- **Action:** Click "**Upgrade to IAL3**" on your app dashboard.
- **The Scan:** Align your face within the frame in a well-lit room.
- **Security:** The app performs a **Live Face Match** with the ICP database.
- **Status:** *Level 2 (Verified)*

### [STEP 3] ACTIVATE SIGNATURE

- **Action:** Create your unique **6-digit Signing Password**.
- **Finalize:** Enable **Face ID / Touch ID** for faster future logins.
- **Ready:** Your account now features the **Verified Green Badge**.
- **Status:** *Level 3 (IAL3 - Legal Expert)*

---

### PRO-TIPS FOR SUCCESS

- **Lighting:** Natural daylight is best; avoid harsh overhead shadows.
- **Phone Case:** Remove your phone case for a better NFC scan of your ID chip.
- **No Accessories:** Take off glasses, hats, or masks for the biometric scan.
